JOHN 15

## *A message from the Pastor*

In March 2020, God spoke about revealing, shaking, and pruning the church. I'm sure we can all look back and see how He did that, not only in the church, but in us as individuals. I'm truly looking towards 2021 with expectant faith. As we wait on God, we sense Him speaking about rebuilding us from the ground up and setting us on a firm foundation. 2021 is a year to be Rooted in Love, Established in Faith, and Anchored in Hope. God is building us together into a spiritual house with Jesus Himself as our chief cornerstone. We believe God is inviting us out of John 15 to Remain in Him. Put another way, as we Remain in Him this year, we will set ourselves on a firm foundation to be built up in Him. Thank you for being on this journey of faith with us.
