Guidelines for Ministry Call Report

Every follower of Jesus Christ is called to minister to others and to do greater things than Jesus did in their lives (John 14:12). Ministry is for every believer, whether it is volunteer or vocational. Write a report of your "call" into ministry. Please use these guidelines. Be sure to read and complete all parts of the guidelines. Please write legibly or type it out.

- State the circumstances pertaining to the "call" of God on your life.
- State the vision of your ministry as God has related it to you.
- State what you are presently doing in your local church to pursue your "call" to the ministry. (Know that your section leader will be asked to confirm your vision and your ministry.)

To the best of my knowledge, all of the information in this application is true and complete. I also authorize you to make such inquiries into my personal employment, finances, medical history or other related matters as may be necessary in arriving at an acceptance decision. Confidential Morals Questionnaire

The Bible makes it clear that we should avoid sexual immorality (I Thess. 4:3-6). Though God's forgiveness is full and complete, there is a distinction between forgiveness for past sins and necessary, biblical suitability for spiritual leadership. I Timothy 3 outlines qualifications necessary for those who desire to be spiritual leaders. Those qualifications include being above reproach and having a good reputation.

In light of this, ATS is highly concerned about the area of moral purity for students. It is critical that our students exhibit strong convictions and a lifestyle consistent with biblical standards.

A past problem in this area does not necessarily disqualify you, provided: (1) it can be determined that convictions are strong and consistent with Scripture, and (2) a sufficient, time-tested record of victory has been established. The information that you share with us will be treated confidentially and will be seen only by those directly involved in your application decision. As stated previously, only staff of the same gender will read this portion of your application.

1. What are your convictions regarding premarital and extra-marital physical involvement? (e.g. petting and sexual involvement)

2. Have you set guidelines for yourself in the physical area to ensure minimal temptation? _____ If so, what are they?

3. Have you had a relationship in the past five years with a member of the opposite sex that would not be considered above reproach? (i.e., petting, sexual intercourse, extra-marital involvement, etc.) _____

If so, when was the last occurrence of involvement in this kind of relationship? (Month/year) _____

What was the extent of physical involvement? (Please be specific)

a. **Singles:** Have you dated other men/women since the last occurrence? _____ If so, what has your physical relationship been with them?

b. **Married:** How has this affected your relationship with your spouse?

4. Are you currently having any struggles in this area? (i.e. temptation, fantasy, pornography, difficulty applying your guidelines/convictions, etc.)

5. a. **female:** Have you ever had an unmarried pregnancy or abortion? _____

b. **male:** Have you ever been responsible for a girlfriend's unmarried pregnancy or abortion? _____

If so, when? Explain the circumstances:

6. Have you had any type of homosexual relationship in the last five years? _____

If so, when was the last occurrence of involvement in this kind of relationship? (Month/year)_____

What was the extent of physical involvement? (Please be specific)

How does this affect your current relationships with the same sex?
